

STATEMENT OF PURPOSE

RS19494C1

This memorial would direct a message from the Idaho Legislature to the United States Congress, and particularly the congressional delegation representing the State of Idaho in the United States Congress, concerning our opposition to the U.S. Supreme Court's decision in Citizens United v. Federal Elections Commission. The memorial would also urge the United States Congress to, in keeping with more than a century of social tradition and case law, reestablish limits on independent expenditures by corporations and labor organizations and to affirm the powers of the states to set limits on all types of contributions and expenditures by corporations and labor organizations.
